Over the course of just 100 days in 1994, around one million people were killed in the Rwandan genocide – more than a fifth of Ireland's population. Irish people donated €6 million to Trocaire's emergency appeal for Rwanda. This was, at the time, the largest public donation in the history of the organisation. Trocaire continues to work in Rwanda on your behalf, helping to improve the lives of the most vulnerable people. Thank you, for continuing to support Trocaire's work, particularly during the Lenten season.
