TAX REFUND IN FAVOUR OF THE PARISH

Support your parish via a tax refund on your donations! The Finance Act 2001 ('Scheme of Tax Relief for Donations to Charities and Eligible Bodies') allows a tax refund on donations in favour of our parish.

For the parish to benefit from this the **conditions** are:

- You must be paying income tax (either under PAYE or self-employed/self-assessment) –
- to be eligible, your donations per year are 250 Euros or more –
- To fill out a Parish Tax Rebate Form (CHY3) to confirm the donations given and
- To give permission that the tax refund goes to our parish.

If you would like to support the parish in this additional way, please collect a CHY3 form from the sacristy and return it to one of the parish team. If you are unsure of the amount you have contributed during the year, the Parish Priest call fill in this figure for you.

A draft version of the guide is available on the notice board or on the table in the back of the church. You are invited to have a look at the text, and approach Fr. Alois with any feedback and ideas you might have. **Please do not permanently remove the guide from the church.**

SAFEGUARDING: ADVANCE NOTICE

Following a review of Parish Safeguarding procedures by the Parish Safeguarding Committee last Tuesday: it is time for the parish vetting and training registers to be updated. It is the policy of the Dublin Diocese that vetting for all parish volunteers be renewed every three years. Vetting for parish volunteers in St Teresa's was last completed in 2015/16, so it is time now to renew vetting for all volunteers. In relation to safeguarding training, all those working directly with children need to renew their training. Last September 18th and 20th all volunteers completed the required 90 minute safeguarding information session. More information later.
