The festival is primarily taking place ONLINE! All talks, testimonies, Liturgies, prayer and worship will take place online for the course of the weekend and it is here that you can watch, engage with and participate in the Summer Festival in its entirety. However, in line with government and church regulations, this year we are able to add in person elements once again to our Summer Festival. These in person elements will be held at multiple satellite locations around Ireland with slightly different formats in Northern Ireland and the Republic of Ireland to ensure that all activities are in line with relevant government regulations there.
