HEALTH AND SAFETY:

from Friday October 22nd, the Covid 19 health guidance for religious services is:

"religious services and weddings can proceed without capacity limits but with all other protective measures remaining in place".

The update from Government provides the following commentary: *This is a very positive measure, however it is imperative that all other Covid-19 protective measures remain in place in order to protect all members of our communities/congregations.*

Premises should be well ventilated, hand sanitiser should be provided, Places of Worship should continue to use separate entry and exit routes, and face masks should be worn.

Congregations should be encouraged to spread out as much as possible when attending Places of Worship and those experiencing any Covid-19 symptoms should be discouraged from attending.

As the capacity of Places of Worship and numbers attending varies greatly, the onus will be on each Place of Worship and community to consider what they are comfortable with and what best suits their congregation. This will be particularly relevant for funerals/special ceremonies, with large congregations in attendance. Attendees on these occasions should not be permitted to stand in the aisles or doorways and hand-shaking and the use of condolence books/sharing of Booklets etc should continue to be avoided.

MISSION SUNDAY: This year's theme 'We Cannot Remain Silent – We cannot but speak about what we have seen and heard (Acts 4:20)' is twofold. It is a message of hope – Jesus Christ is risen and we cannot keep his love, compassion, and mercy to ourselves. It also challenges us to stand up and speak out on behalf of those who are weaker. All too often, the voices that need to be heard are not the loudest. For them, we cannot remain silent.
