HEALTH AND SAFETY:

Since the change in the Health Guidance on the 6th September, we are permitted to have 50% of the capacity of St Teresa's present for services. This allows for 146 people. This means that there can be three individuals on each of the long seats and two on the shorter ones. Family households are encouraged to sit together. The usual routine of cleaning and disinfecting will continue. The stewards will remain available for assistance at each Mass.

The Health guidance for religious services and ceremonies will change on the 22nd October, in line with national guidelines. There is a growing sense within the faith community of St Teresa's that we will leave the seats in the church the way they are, that we continue with the distribution of communion the way we do now. We would welcome your views on this and please bring any concerns you may have to our attention.

PARISH SHOP: A general stock of rosary beads, candles and statues Children's books etc. are available to purchase after each Mass on Sunday. *NEW STOCK DUE SOON – WATCH THIS SPACE!!*

HARVEST SUNDAY / Little Flower Penny Dinners:

This weekend we celebrate Harvest Sunday. It is a time to give thanks to the Lord that we have food on our tables. This year in lieu of asking donations of fruit and vegetables for those less fortunate than ourselves we will place a box in the centre of the Church for donations to The Penny Dinners in Meath Street – also known as *The Little Flower Penny Dinners*. The Little Flower Penny Dinners, was established in 1912 by the local parish and community in response to the high levels of poverty in the area and to provide food for those in need. The charity was named in honour of St. Teresa of Lisieux, widely known as the Little Flower; and started with donations from local parishioners of one penny per week. Hence the name The Little Flower Penny Dinners.
