MEASURES FOR RELIGIOUS SERVICES

In general terms the Parish Pastoral Council think it prudent to take a cautious approach to the lifting of church health measures. This also reflects comments received from parishioners & friends since the Government announcement. The Archbishop as asked Parish COVID Committees to meet again to review and plan for the lifting of all health measures when the time is appropriate. The St Teresa's COVID committee will meet soon and will take into account whatever public health measures are removed next week, especially in relation to face coverings.

PARISH ENVELOPES FOR 2022

Weekly Parish Envelopes for 2022 are available from the sacristy and parish house or any member of the parish team.

THANK YOU!

NEW WEBCAM SIGNS IN THE CHURCH

You may notice new Webcam signs at the church entrance & also on some of the pillars. This follows a data protection review of the church & church processes. The signs are there to ensure parishioners & visitors are made aware that their image may be viewable on the Internet if they enter certain areas of the church.

TAX REFUND IN FAVOUR OF THE PARISH

In recent years the parish has benefited greatly through the charitable tax donations scheme. If you are willing to participate in this scheme for the benefit of the parish, please contact any member of the parish team. The forms (CHY 3 Form) are available on the tables in the centre of the church, along with an information sheet. You are eligible to participate in this scheme if you pay tax & donate €250 or more in a calendar year to the parish. Many thanks again to those who already participate in the scheme. It is of great benefit to the parish.
