**PARISH WEEKLY ENVELOPES AND STANDING ORDERS**

Thank you once again to all those who contribute weekly to the running of the parish, through the weekly parish envelopes, through a weekly or monthly standing order or through once off annual donations.

- In 2022 we had 150 weekly envelope contributors, four standing orders and two once off annual contributions. **Currently for 2023, we have 123 weekly envelope contributors, eight standing orders and one once off annual contribution.** If you are in a position to donate in some way to the running of the parish, please consider contacting Fr David for a box of envelopes, or standing order details.
- In the distribution of the Parish Weekly envelopes last month, no name was recorded beside the following numbers: 114, 115 & 120. Could those with these envelope numbers please let Fr. David know so that contributions can be attributed to the correct name. I do apologise for this omission.
- If you have set up a **standing order** to make your contribution to the parish, could you just check with Fr. David that it is actually arriving, just in case it is going astray.

Cards have arrived and are available from the Parish Office.

**BAPTISM TEAM and FUNERAL TEAM**

The parish continues to evolve and promote the development of a parish **BAPTISM TEAM** and **FUNERAL TEAM**. The team in each case includes the priests of the parish and parishioners. The teams prepare and deliver each baptism and funeral along with the families. We are at the early stages with both teams. Also the covid pandemic halted their development for the past three years.

- Would you like to be part of one team?
- This is an increasing need in the parish.
- It is a great way to contribute to the faith community of the parish into the future.
- The need for a Parish Baptism and Funeral Team will increase in to the future.
- Training will be provided. Mentoring and working alongside one of the parish team will also be in place.
- Please think about it and maybe have a chat with one of the parish team.
