PARISH OFFICE

While we don't currently have set Parish Office hours, due to day-to-day commitments of both the Parish Team and our wonderful volunteers, it mostly works very well. To ensure that we can serve & assist you, the morning is usually the best time to reach us by phone or calling at the door, followed by the afternoon (bearing in mind that some afternoon availability is not guaranteed). We do our best then if our assistance is required outside of those hours.
