POLICY FOR RECORDINGS OF PARISH SERVICES

In general terms, recordings of a parish service e.g. a funeral service, is done at the request of a family member. The recording will be retained on the parish webcam page for two weeks after the service, at which point they will be taken down. Over those two weeks it is possible for families to download a copy of the recording to their own device. In some instances recordings are left on the webcam page over a longer period.
